# Lunch at Le Mill with Bandit Queen and Livingetc

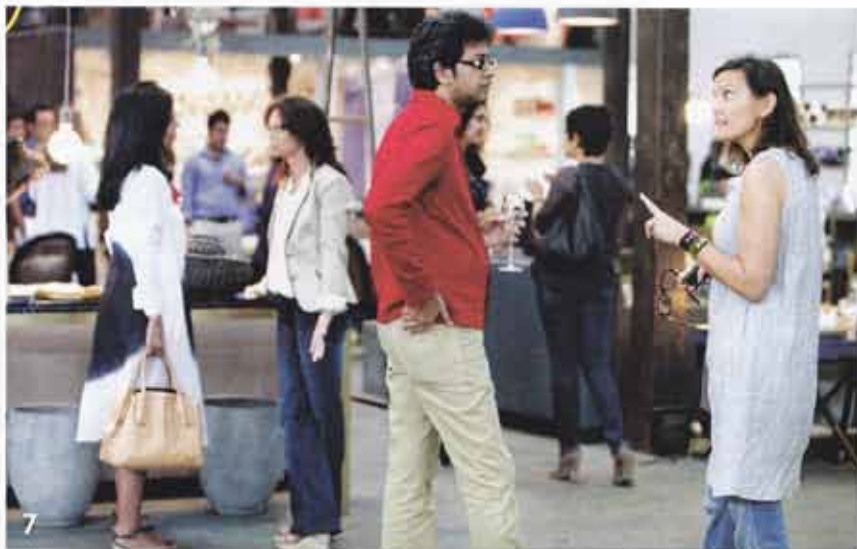

The Café at Le Mill saw a small bunch of elite and the distinguished get together for a lunch hosted for Bandit Queen by the owners and curators of Le Mill, Cecilia Morelli, Julie Leymarie and Aurelie. The table styled by Valerie Barkowski, (LIVINGETC's At Home With, Feb 2011) of Bandit Queen, was a vision in white. Black and White tableware from Le Mill, offset on white table linen from Bandit Queen with cutlery in platinum and copper along with flowers by Nazneen Jehangir made the setting dreamy and exquisite. Delicacies from the Café at Le Mill and champagne by Moët & Chandon added the final touch of finesse to this wonderful soiree.
